

PROGRAM ANNOUNCED FOR FOURTH OF JULY TENNIS TOURNAMENT

SPECIAL EXHIBITION MATCHES PLANNED

An exceptionally interesting program has been arranged by the Tournament Committee of the Narberth Tennis Association for the annual Fourth of July Tournament. Playing will start on the morning of Friday, July 4, and continue all day, and carry over to the next day, Saturday, the 5th. As many of the city's business places will be closed all day on the 5th, it is hoped to play a number of tournament matches on Saturday morning as well as in the afternoon. In this way the Tournament Committee believes it will be possible to complete the tournament in the two days.

A special feature will be three exhibition matches of singles, by members of the Association who are voted to participate in this extra event. Two of these matches, it is planned, will be run off on the Fourth—probably one in the morning and one in the afternoon, and the winner of each match will be scheduled to play on Saturday afternoon.

The manner of selecting the players in these exhibition games will be as follows: Each member entering the reg-

ular tournament will be asked to hand to the Tournament Committee at the time he agrees to play in the general event a slip of paper on which he will have written the names of the four members of the Association that he would most like to see play in the exhibition matches. After all the entries are in the committee will tally up the votes and the four members receiving the largest number of votes will be the exhibition players.

The tournament proper will be for men's doubles only. Entrance fee for each play will be twenty-five cents. All entries must be in the hands of the Tournament Committee, which consists of Chairman Newell and Messrs. Philler and Staples, before 8 o'clock Thursday evening, July 3.

The committee is anxious to make the Tournament a big success, and all members are urged to enter the contest. If you haven't a partner, get one; there are a number of members who haven't teamed up with any other players thus far this season, and it is hoped that the entire membership will be represented in the tournament playing.

Much Needed Improvement Being Made at the Station

The new concrete walk from Essex and Elmwood avenues to the in-bound side of the railroad station is an improvement that has been needed for a long time and which will be very much appreciated by all residents of the Borough, especially those living on the south side. The work is being done by the Pennsylvania Railroad, the walk being on railroad property.

It is to be hoped, however, that this does not mean that the projected new station has been abandoned or postponed indefinitely. Narberth has grown so much in recent years that the old station accommodations are entirely inadequate for the amount of travel in and out of our town. Moreover, the new station with all the proposed changes, including the tunnelling of Essex avenue under the railroad tracks, would be a civic improvement that it is generally conceded is due to our Borough.

Another Big Saturday At Our Local Y. M. C. A.

HAPPY CROWDS PATRONIZE THE
SUCCESSFUL JUNE PETE OF
THE WOMEN'S AUXILIARY.

Perfect weather, just hot enough to make lemonade and ice cream readily salable, was the portion meted out by Providence as one of the largest factors in making the Women's Auxiliary June Pete a success last Saturday. The Y. M. C. A. building was well crowded all through the late afternoon and evening and the refreshments served to ticket holders were certainly appropriate to the day. After enjoying the strawberries, ice cream and cake the lemonade table was next visited. Many plants were purchased from the flower table.

Last but not least must be mentioned the music. A five-piece band, which furnished some very captivating "jazz music," held sway on the balcony over the entrance of the building all evening. The music could be heard for some distance away and served well as an attraction feature.

Those hard workers of the Auxiliary deserve unlimited praise for this worthy effort to raise the "roof fund" total, for that was the purpose of the whole thing, shingles and all. It would be unfair to name any workers without naming all. Everybody pitched in and worked hard.

Full reports of the net proceeds of the June Pete will appear in a later issue of Our Town, including a statement of the fine service rendered by the "Shingle Girls" and those who purchased "shingles."

No more sessions of the Children's Choir will be held at the Methodist Church until the fall. The children and some adults helped to make the Children's Church a wonderful success in attendance and influence.

Henry Howes is back in civilian clothes after about two years' service in the Navy. A large part of his time was spent on a submarine chaser. Henry says that while the chasers are wonderful boats, the Atlantic Ocean has no respect at all for them and tosses them around like proverbial chips of wood.

Another service that is different from the usual, getting away from monotony and keeping out of ruts, yet with a real Gospel message. Illustrated sermon with fifty beautifully colored lantern slides on the subject, "Turkey and Her Religion," at the Baptist Church Sunday evening. This service will inspire more than entertain. Come.

Narberth Amateurs Defeat the Strong St. Dennis Team

THE RESERVES SHOW INCREASING STRENGTH IN A WELL-PLAYED BALL GAME.

The Narberth Amateurs defeated St. Dennis at Ardmore by thoroughly out-playing them. The game was cinched for the Reserves in the fourth inning, but St. Dennis gave them a scare in the ninth, when they put three men on and scored a run. It was then the Narberth team showed their true form by tightening up and not permitting the Ardmoreites to score another run.

Burns and Harsch were large factors in helping Yowell to win the ball game, the former by knocking four singles and making an assist for the last out of the game, and the latter by knocking a home run with Bert Diekie on base.

AN ENCOURAGING LETTER.

To the Editor of Our Town:

I am more than pleased with the direct results obtained from the small advertisement recently placed in Our Town.

(Signed) ADVERTISER.

THE BOY SCOUT.

By J. H. Taylor.

He's a clever little fellow with a smile and with a will.

And he looks just like a soldier, but he isn't trained to kill.

A boy in size—but watch him—in his doings he's a man.

He's on the job and pledged to help where, when, and as he can.

Beside the schoolwork training, he has just the right amount

Of common-sensish learning to produce the things that count;

His eye is peeled for action, and his hand for work is bared,

And he's marching to the music of the motto,

"Be Prepared!"

He's not a gallery artist, he's in line for something higher;

Scouty knows the way to help 'em in a wreck or at a fire,

And many are the wounded ones that owe the laid a debt,

For he it was who knew the spot to twist the tourniquet.

And the boy from out the river that seemed drowned beyond a doubt? Why, Scouty did his first aid stunt and soon put fears to rout.
It's look around and help for his—the utmost never's spared,
For he's marching to the music of the motto,
"Be Prepared!"

Hold still—you men—salute him—seems like you clean forgot—
Take off your hat to Scouty—he's the biggest thing you've got.
A dozen years, and he will show the measure of his worth,
He'll make a better homeland of this precious bit of earth.

There's three hundred thousand like him, fit and snappy every one,
You can hear them—listen!—tramping louder, louder, coming on!
He's the sample of a legion that to righteousness is squared,
And he's marching to the music of the motto,
"Be Prepared!"

Much Obligated, Borough Council

Street Commissioner Humphreys and the members of Council would be very much embarrassed these days if they were to hear all the words of thanks and appreciation that our residents are saying about them for the work they are doing in putting in concrete and stone steps at the intersections of many of our avenues. These improvements will make the crossings very much more convenient and considerably lessen the danger of spraining and breaking ankles.

Property Owners Notified to Repair Curbs and Gutters

Preparatory to the work of resurfacing many of the avenues throughout our borough, Council is requesting property owners whose curbs and gutters are in need of repairs, to make such repairs. This is necessary before the road work can be started, and in those cases where property owners fail to make such needed repairs, Council itself will have the work done and the costs will be charged against the property owners.

ARMY TRUCKS GIVEN FOR ROAD BUILDING.

State Highways Departments Receive \$45,000,000 Worth of Vehicles from U. S.

Washington, D. C.—Twenty thousand motor trucks have been turned over by the War Department to the Department of Agriculture for use in road building. They range in capacity from two to five tons, and have a value of more than \$45,000,000.

All that the States must do to acquire these trucks is to pay the loading and freight charges and must agree to use them on road construction in whole or in part under Federal aid, for which \$200,000,000 was recently appropriated by Congress.

The trucks were declared surplus by the War Department, and being no longer needed for war uses, for which they were bought, it has been determined to divert them to peace purposes and at the same time extend the aid the Federal Government is giving the States in highway construction. The motors will be allotted to States only on request of Highway Departments in accordance with the apportionment provided in the Federal aid law approved in 1916. Under the law, there can be no distribution to counties or individuals, but only to the States.

Roads Costing Millions Built.

Under the stimulus of Federal aid, the States have extensive highway construction under way. Under the Federal road act, up to and including April, statements for a total of 1,057 road projects were approved by Secretary of Agriculture Houston, who administers the Federal Aid Road law. The projects involved 10,580.17 miles of road, with a total estimated cost of \$92,933,121.81 and total Federal aid of \$36,576,857.48. The number of projects actually executed up to that time was 535, for 4,624.83 miles of road, at a cost of \$39,059,327.44, of which \$15,614,929.61 is to be paid from the Federal Treasury.

During April, Secretary Houston approved 120 road projects, involving the

improvement of 923.53 miles at an estimated cost of \$16,261,326.51, of which \$7,528,550.68 will come from the Federal appropriation. This is the largest estimate and the heaviest request for Federal aid for any month since the passage of the law.

During the same month, the Secretary of Agriculture and State Highway Departments executed 55 road project agreements, involving the improvement of 521.51 miles of road to cost \$4,626,415.48, of which \$2,039,614.99 will be paid from the Federal appropriation.

Garden Party at Merion

A garden party will be given on Saturday afternoon, June 21, at the residence of Mrs. William H. Pugh, Jr., Cross Roads, Merion, by the Montgomery County Committee of the Pennsylvania Woman Suffrage Association.

The tickets are 50 cents and include a most interesting outdoor entertainment. Mrs. Frank O. Nagle, pianist; Miss Cecelia Bonawitz, violinist, and Miss Florence Lewis, soprano soloist, will furnish the musical program. Miss Dora Adele Shoemaker, impersonator; Leslie Kelley, classic dancer, will complete the entertainment. There will be a booth for the sale of fancy articles, home-made cakes and candy booth and a cafeteria, where light refreshments will be served.

Children are admitted free when accompanied by an adult, and special provisions have been made for their entertainment, among which is the never-failing delight of the children, a Punch and Judy Show.

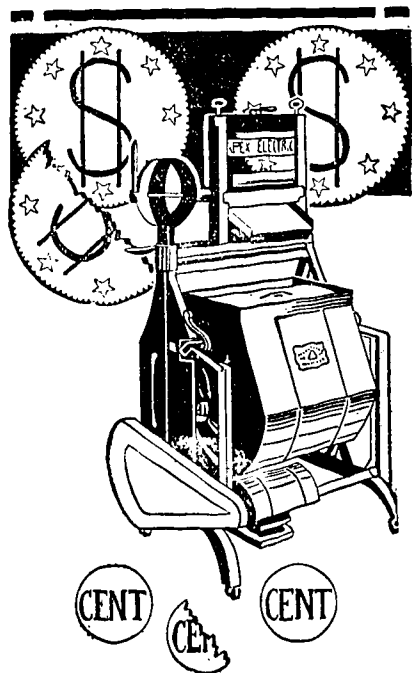

The Women's Auxiliary

An important special meeting of the Women's Auxiliary will be held on Tuesday afternoon, June 24th, at 2:30 promptly, at which time it is hoped that final settlement will be made for all tickets. This will be the last meeting for the season, and a large attendance of the members is desired.

Church Notes.

Mid-week prayer and praise service next Wednesday evening.

The annual Sunday School picnic will be held next Friday, June 27, in Fair-

mount Park. Full details will be announced to-morrow in the school. Every member of the school invited.

This church will participate in the union twilight meetings which will begin on the evening of June 29.

THE FIRESIDE

(Continued from Page 1)

Why not buy some War Stamps and encourage the children and young folks to do likewise, especially those who are earning money? It will teach them to save, and the investment is good. Some people in Narberth buy them regularly.

Sunday evening, June 22nd, 7.45 P. M., at the Methodist Church, Mr. J. Arthur Schlichter, of Philadelphia, gives a wonderful address on "Out of the Depths," which is the story of his remarkable life. The church should be crowded to hear this great message.

The engagement of Miss Ella B. Sargent to Mr. Stephen Reed Manley, both of West Philadelphia, was announced on Saturday, June 14, 1919, at a luncheon given at the home of Miss Edith Hewitt, 116 Essex avenue, Narberth, Pa.

Harry Simpson returned to Narberth last week after almost a year's service in France with the A. E. F. He was Supply Sergeant in the 304th Ammunition Train, 79th Division, and saw the most active kind of service in the Argonne and other historic sectors, right up to the signing of the armistice.

Every eighth person in the world is a Mohammedan. For every Protestant Christian there is a Mohammedan and fifty million besides. Their religion has been the greatest obstacle to Christianity. The story will be illustrated with fifty beautiful lantern slides at the Baptist Church Sunday evening. You will be welcome.

Miss Ruth E. Prescott entertained a number of her friends over last week end at the Prescott bungalow at Ocean City, one of the features of entertainment arranged by the hostess being a dance at Cape May on Saturday evening, to which several of the convalescing soldiers and officers at the Cape May Hotel were invited.

A Notable Narberth Wedding

St. Margaret's Church was the scene of as pretty a wedding ceremony as has ever been celebrated in Narberth, when on June 11th Miss Elizabeth Miller, of 208 Chestnut avenue, and Mr. Frank Millang, of Forest Hills, L. I., joined hands and hearts, vowing to accompany each other in loving fellowship to the end of life's journey. Father Cowley performed the marriage rites.

A well wisher could not desire anything better for the young couple than a married life as beautiful as was their wedding. This was the climax to a charming little romance begun while Miss Miller was visiting friends on Long Island. They come a long way for these Narberth girls of ours—as well they might.

The Church was well filled with friends from Narberth, Philadelphia and Long Island. Mr. Frederick E. Moyer gave the bride away. The best man was Mr. August Millang and the bridesmaids Miss Mary Chalfant and Miss Marguerite Millang. Miss Emma Muller was maid of honor. The ushers were George Rose and Thomas Martin, of Narberth; Harry Mandeville, Charles Dowse and Russell Bowman, of Forrest Hills.

The wedding reception was held at the home of Mr. and Mrs. J. T. Balsley on Merion avenue, which had been transformed into a veritable rose garden, the blooms having been brought from the bridegroom's own nurseries on Long Island. The guests danced and made merry to the strains of a string orchestra which was hidden in the recesses of a flower bedecked alcove. A delightful luncheon was served. Weather conditions were ideal and happy indeed were the omens for the success of this venture on the seas of connubial felicity.

Strange to say, the newly-weds did not advertise the name of the place where it was intended to spend the honeymoon hours, but a little blue-bird whispers to me that somewhere along the Jersey coast the sea waves are not nearly as sad as they are sometimes said to be.

The new home will be in Forest Hills.

CHILDREN'S CHURCH ENTERTAINMENT.

Last Monday evening, at the Methodist Church, the Children's Church gave a remarkably successful costume entertainment. The Church was crowded and the program was wonderful. Some men of Narberth gave a humorous sketch, ending with the ducking of Charlie Chaplin in the pond. Mrs. Geo. Merritt Davis and some young ladies of Narberth gave a wonderful pantomime and the climax of the program was a trial given by the boys of the Children's Church which was a great success and every boy did his part and took his character ideally. Girls dressed as ladies did the ushering. Mrs. Joseph T. Barclay deserves the praise, for it is owing to her ability and perseverance that the entertainment was so successful in every way. Mr. and Mrs. Charles Clegg deserve special mention, and also Mr. George Friley, for assisting beautifully.

JUNE FETE.

The June Fete directed by the Women's Auxiliary on Saturday last, was certainly a success in every detail. At this writing (Wednesday evening) it is impossible to state accurately just what the net receipts will be, but the Treasurer reports that all bills for ice cream, berries, cake, candy, music, pen-

LIGHTS NOW REQUIRED ON ALL VEHICLES EXCEPT FARM MACHINERY AND HAY WAGONS.

The Meerkle Senate Bill, just passed and approved by the Governor, provides that every vehicle on the public roads between one hour after sunset and one hour before sunrise, shall display a light clearly visible from a distance of two hundred feet from both the front and the rear of such vehicles. Law officers may arrest violators of the Act on view, who are liable to a fine of two to five dollars or to be sent to jail for five days.

POST OFFICE BOX RENTERS.

All box rents must be paid in advance. Payment must be made on or before the first day of the new quarter, July 1st. Box rents are payable during period from June 20th to July 1st inclusive. Post Office regulations require receipts to be made out as the rents are paid. We have \$20 rented boxes. Renters are advised to pay at the earliest opportunity in order to avoid delay or standing in line on the last day or two. Regulations require the Postmaster to close all boxes on which the rent has not been paid as required.

EDWARD S. HAWS,

Postmaster.

SINGULAR THINGS IN PLURALS.

We'll begin with a box, and the plural is boxes;
But the plural of ox should be oxen, not oxes.
Then one fowl is goose, but two are called geese;
Yet the plural of moose should never be meese.
You may find a lone mouse or a whole lot of mice;
But the plural of house is houses, not hiee.
If the plural of man is always called men.
Why shouldn't the plural of pan be called pen?
The cow in the plural may be cows or kine,
But a how, if repeated, is never called bine.
And the plural of vow is vows, not vine;
And if I speak of a foot, and you show me your feet
And I give you a boot, would a pair be called beet?
If one is a tooth and a whole set are teeth,
Why shouldn't the plural of booth be called beeth?
If the singular's this and the plural is these,
Should the plural of kiss be nicknamed keese?
Then one may be that, and three would be those,
Yet hat in the plural would never be hose.
And the plural of cat is cats, not cose.
We speak of a brother and also of brethren;
But though we say mother, we never say methren.
The masculine pronouns are he, his and him;
But imagine the feminine she, this and shim.
So the English, I think you all will agree,
Is the most wonderful language you ever did see. —Springfield Republican.

DECEPTIVE APPEARANCE.

The conversation having turned to the appetite of the average boy, this anecdote was fittingly related by Congressman William Gordon, of Ohio:

A youngster named Willie called on his aunt, and during the afternoon he was given a rather large piece of pie, which he speedily disposed of.

"Aunt," said he, with a wistful expression, when the last crumb had disappeared, "might I have another little piece?"

"Mercy, Willie!" exclaimed aunt, with visions of a decimated pie crop. "You certainly eat an awful lot for such a little boy."

"I don't believe, aunt," returned Willie, "that I am half so little as I look from the outside." —Philadelphia Telegraph.

REVISED VERSION.

There was a little girl, who had a little curl.

Right in the middle of her forehead.
But now the silly dear, she wears it on her ear,

And, take it from us, she looks horrid.

WORDS OF LINCOLN WORTH REMEMBERING.

There are certain lines of verse, certain pithy aphorisms, which are so familiar, have become so much a part of the common currency of our daily speech, that we use them and pass them on with little thought of their origin—perhaps scarcely think of them as ever having had a definite source in any one man's mind, any more than such obvious statements as that "two and two make four." Such are many of the words of Shakespeare and of Solomon. Such are some of the sayings of Abraham Lincoln. Here are a few of the last. Could you have named the author of every one?

God must have loved the common people, for He made so many of them.

Stand with any one that stands right, and part with him when he goes wrong.

No man is good enough to govern another person without the other's consent.

With malice toward none, with charity for all, with firmness in the right as God gives us to see the right, let us strive on to finish the work we are now in.

The one victory we can ever call complete will be that one which proclaims that there is not one slave nor one drunkard on the face of God's green earth.

The above department should be of the greatest use to the community, the list contains the name of every professional man tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow townsman, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
